

CROSS-BORDER DIMENSION OF (UN)SUSTAINABLE TOURISM IN BORDER REGIONS

Mgr. Emil Drápela, Ph.D.

Research context

- Project „**The Impact of Post-war Population Transfers on the Czech-Polish Cross-border Cooperation**“ supported by the Polish National Science Center (NCN), 2021/43/I/HS5/02529, and Czech Science Foundation (GAČR), grant No. 22-04226L.
- **Semi-structured interviews** conducted with a diverse array of stakeholders involved in regional development within the Praděd/Pradziad, Nisa/Neisse/Nysa, and Glacensis Euroregions.

In what ways are borders still present?

In many ways, for example:

- Public transport
- Financing of tourism promotion
- Travel guides and websites
- Visitor mindset

It follows:

- Use of mainly personal car transport
- Cross-border promotion is realized only if there is an Interrreg project
- Information sources divide the territory according to administrative boundaries
- Visitors stay on the "domestic" side of the border

Railway	Operation status
Frýdlant – Heřmanice – Bogatynia – Zittau	Dismantled
Frýdlant - Zgorzelec	Personal traffic cancelled
Jindřichovice pod Smrkem – Gryfów Śląski	Dismantled
